

# Calling Caregivers

## Join our Advisory Group

The CARE Collaboration is looking for caregivers from across Canada to help make research and resources for families accessible and useful.

Apply by  
February 3

Are you a  
caregiver of  
children 0 to 8  
years old?

### About the CARE Collaboration

CARE Collaboration is part of a global research effort to make knowledge about caregiving and child development easier to understand and use. We work with experts, researchers, and caregivers worldwide to improve support for children during important stages of their growth.

### Why join our Advisory Group?

- Share your experiences to help shape research and resources.
- Give feedback on parenting resources like videos, webinars, and infographics.
- Suggest popular platforms for parenting information and ways to reach caregivers.
- Receive \$50 CAD/hour as honoraria.

### Who are we looking for?

- Caregivers of children between the ages of 0 to 8 years old, from diverse family backgrounds in Canada.

### What's the time commitment?

- 3 to 4 virtual meetings per year (about 90 mins each).
- Occasional input by email or online.

### How to apply?

- Apply using [this link](#) or the QR code by February 3, 2026.
